

Please Come Home for Christmas

Johnny Winter

Bells will be ringing this sad sad news
Oh, what a Christmas to have the blues
 My baby's gone I have no friends
To wish me greetings once againChoirs will be singing Silent Night
 Christmas carols by candle light
 Please come home for Christmas
 Please come home for Christmas
If not for Christmas by New Years nightFriends and relations
 Send salutations
 Sure as the stars shine above
 But this is Christmas
 Yeah, it's Christmas my dear
It's the time of year to be with the one you loveSo won't you tell me
 You'll never more roam
 Christmas and New Year
 Will find you home
 There be no more sorrow
 No grief and pain
And I'll be happy, happy, once again
