

Locked Out Of Heaven Mashup (feat. Megan Nicole)

[Sam Tsui](#)

I never had much faith
in love or miracles
I never wanna put my
Heart on the line

Ooh, swimming in your
water is something spiritual
I'm born again every time
You spend the night

Which way is right?
which way is wrong? how do I
Say that it need to move on?
And it shows, yea yea yea

You make me feel like, I
am just to close to love
You, there's nothing I can really
say, hey yea

You make me feel like i've
Been locked out of
heaven, there's nothing I can
really, say hey yeah

You make me feel like,
I'm just to close to love you
I've been locked out of
Heaven, so I'll be on my way

I can hide no more, I can
Hide no more, gotta be true to
myself, you make me feel like
I've been locked out of heaven

You said
Open up the gates cause I can't
Wait to see the light, And right
There is where I wanna stay, yeah

You bring me to my knees,
You make me testify, You can
Make a sinner change his ways,
(see the light)

How do I say that I
Need to move on? Ooh yeah yeah yea

Ooh, which way is right?
Which way is wrong? And it
Shows, yea yea yea

You make me feel like, I
am just to close to love
You, there's nothing I can really
say, hey yea

You make me feel like i've
Been locked out of
heaven, there's nothing I can
really, say hey yeah

You make me feel like,
I'm just to close to love you
I've been locked out of
Heaven, so I'll be on my way

I can hide no more, I can
Hide no more, gotta be true to
myself, you make me feel like
I've been locked out of heaven

All I need I feel a heartbeat, Oh,
I knew you were trouble when you
walked and, so shame on me now,
Flew me to places I've never been, yeah

All I need is a beauty and a beat,
So make my life complete, pyeah yeah (2x)

You make me feel like, I
am just to close to love
You, there's nothing I can really
say, hey yea

You make me feel like i've

Been locked out of
heaven, there's nothing I can
really, say hey yeah

You make me feel like,
I'm just too close to love you
I've been locked out of
Heaven, so I'll be on my way

I can hide no more, I can
Hide no more, gotta be true to
myself, you make me feel like
I've been locked out of heaven

Ooh, trouble trouble trouble,
Oh too close to love you

All I need, a beauty
And a beat, for too long
Love you

So I'll be on my way
