

Send Me a Picture (feat. Jacob Latimore)

Young Marqus

(Young Marqus)

Take a pic

Send it to my phone, I wanna see what you got

Yo body its banging baby, Girl, You hitting the spot.

And it go like (7x)Boom

And don't stop til the bass die down

And this rap game, yea I got side down

Men from the 80s, is you from the chitown?

I knoee that, And this money in my pocket?

Imma blow that.

And you got a pretty smile, gone and show that.

And I love yo style You should knoee that.

But if you, send one, Imma send one back

Imma show you what Im getting at, I can make you famous girl

So show me what you workin with(Chorus: Jacob Latimore)

(2x) Send me a picture

Ta take a pic from yo phone

Send me a picture

Just let you knoee what Im on

And when you send that Something

It'd be for my eyes only(Young Marqus)

Let me tell you what Im fixing bout

Make sure when you send it out

Send it through a private link

I promise I won't send it out

You can do it with yo hair long

No make-up Lips out, baby it don't really mattah

But when you instagram it, make sure its for me to capture

And I be checking you out, but you be doing yo thang I wonder if you noticed

That I wanna get with cha Snap that pic

We can be the bum like loudest

You can send one for my eyes

I send one for yo surprise

Now we going back and forth

We can prolly go all night

Send me a picture, take a flick with yo phone

And girl I promise when I get it

I won't leave you alone

I got a hunned pics

Tell 'em Ill send it later
And put yours as my screen saver(Chorus: Jacob Latimore)
(2x) Send me a picture
Ta take a pic from yo phone
Send me a picture
Just let you knoee what Im on
And when you send that Something
It'd be for my eyes only(Young Marqus) Jacob Latimore
(2x) Snap it for me baby
Please make sure its only for my eyes
(Snap it for me baby)
(Please make sure its only for my eyes)
You knoee how I like it
I won't instagram it, thats no lie
(You knoee how I like it)
(I won't instagram it, thats no lie)(Chorus)
(2x) Send me a picture
Ta take a pic from yo phone
Send me a picture
Just let you knoee what Im on
And when you send that Something
It'd be for my eyes only
