My Story

Chick Willis

A little girl from North Island
Thinking back when it all started
I always had big dreams
Wanna be a superstar
Said I was touched by God
Now I can tell the world all about
My life, my heart
My story, my everything
To all of you is all of me
My story, my everything
My life, my heart
My story, my everything
To all of you is all of me
My story, my everything
My life, my heart, my story
The answer to the calling
Now the whole world can see
They will know about me
Shout it from the highest mountains
Into the valley lows
In each and everybody
There is a Lil' Mo
They gotta know about me
They gotta feel the love
I gotta show 'em all
From the biggest to the small
From the bottom of my heart
To the depths of my soul
How I made it through the fire
And came out pure as gold
My life, my heart
My story, my everything
To all of you is all of me
My story, my everything
My life, my heart
My story, my everything
To all of you is all of me
My story, my everything
I'm giving you me, everything of me

My whole story I hope that you will see
The life I'm living, my heart I'm giving
Myself into you everything of Mo
I'm giving you me, everything of me
My full story I hope that you will see
From the bottom of my heart to the depths of my soul
All I have to go through the fire to come out pure as gold
My life, my heart
My story, my everything
To all of you is all of me
My story, my everything
