

Wheel of Fortune (Clubmix) [Bonus Track]

Ace of Base

What you gonna tell your dad
It's like a wheel of fortune
And what you gonna tell your dad
If this wheel lets you down
My love is my engine
And you might be fuel
Stop acting cool
Just bet you might win
I'm not too cool
(I'm in love with another fool) Don't push me
I don't what to can't you see it
Hasten slowly
And don't count your chicks
Before there hatched baby What you gonna tell your Hey you,
We're gonna make you move
It tastes like steel
Like a stab from a knife What you gonna tell your,
I'm on love with another fool I'm in love with you I like your style
I want you I'm in love What you gonna tell your
