

I Am Going to Hold On

Giuliano Palma & the Bluebeaters

This world, this world is cold
But you don't, you don't have to go
You're feeling sad, you're feeling lonely
And no one seems to care
Your mother's gone and your father hits you
This pain you cannot bear But we all bleed the same way as you do
And we all have the same things to go through Hold on, if you feel like letting go
Hold on, it gets better than you know
Your days, you say they're way too long
And your nights, you can't sleep at all
Hold on
And you're not sure what you're waiting for
But you don't want to no more
You're not sure what you're looking for
But you don't want to no more But we all bleed the same way as you do
And we all have the same things to go through Hold on, if you feel like letting go
Hold on, it gets better than you know
Don't stop looking you're one step closer
Don't stop searching it's not over
Hold on What are you looking for?
What are you waiting for?
Do you know what you're doing to me?
Go ahead... what are you waiting for?
Hold on, if you feel like letting go
Hold on, it gets better than you know
Don't stop looking you're one step closer
Don't stop searching it's not over Hold on, if you feel like letting go
Hold on, it gets better than you know
Hold on
