

# Respect My Conglomerate

## Busta Rhymes

Most people would consider this illegal Since we are the best  
And you agree with me, right?  
No need to debate The way we run shit  
See we're kinda like the government  
So just respect my conglomerate Just respect my conglomerate  
Just respect my conglomerate  
Just respect my conglomerate  
Just respect my conglomerate It's Busta Rhymes and I'm back with the crack  
And the thugs and the drugs, nigga black  
The best to do it, we only deal with the facts, bitch  
Blazin' and I'm so amazin' on the tracks, bitch Bounce on 'em and I jump and I skip  
And I hop and I flip over niggas like gymnastics  
Watch the way that I'm comin', I'm givin' the streets acid  
Bastards, niggas know I'm the king of the classics Drastic measures, I'm spreadin' like a rash, bitch  
Class is in session, you 'bout to get yo' ass kicked  
Emperor of every round table of the house  
And when I speak niggas respect me as leader of the councilman God rap, God persona, God scrilla  
God body in the flesh, call me Godzilla  
Now I know you see we be the most prominent  
Dominant niggas, respect my conglomerate Since we are the best  
And you agree with me, right?  
No need to debate The way we run shit  
See we're kinda like the government  
So just respect my conglomerate Just respect my conglomerate  
Just respect my conglomerate  
Just respect my conglomerate  
Just respect my conglomerate Young Money in charge  
Yes, it's Little Wayne but the money's enlarge  
Priorities, Young Money and God  
Now they wanna know how I be gettin' money on Mars 'Cause I be gettin' paid like outta this world  
Hip hop is a bitch and I'm proud of this girl  
But when the sharks come, see how the fish curl  
This is my game, you gon' need a referral I know more about tree than squirrel  
Me no talk much but the heat so verbal  
Brand new Marc Jacob, pink coat thermal  
Gun outside of the gear, external I'm so fly, y'all still at the terminal  
I'll put you in the dirt just because I see the worm in you  
Dirty South, bitch, admire and acknowledge it  
And respect my conglomerate Since we are the best

And you agree with me, right?  
No need to debateThe way we run shit  
See we're kinda like the government  
So just respect my conglomerateJust respect my conglomerate  
Just respect my conglomerate  
Just respect my conglomerate  
Just respect my conglomerateWorkers, bosses, Ferraris, Porches  
Dope fiends, nauseous, crack spot losses  
Race track, horses, big meetings at the round table  
To discuss what the cost isMoney change you, devils, angels  
We the ones who say what you can and what you can't do  
Respect, power, Kush, sour  
Haze, airy, pills, powderGangstas, varmints, ice, garments  
Don shit, real niggas who I get it on with  
When I'm around my colleagues ain't comfortable  
They all got a-sick with my verses for a month or twoUh, wrong nigga to have a problem with  
The blade first, then the bullet gon' follow it  
Yeah, if you lucky I might hollow it
