# This Train

## Randy Travis

This train is a clean train, you know this train
This train is a clean train, I said this train
This train is a clean train
Everybody's riding it in Jesus' name
This train is a clean train, I said this trainThis train has left the station, you know this train
This train has left the station, I said this train
This train has left the station
This train takes on every nation
'Cause this train is a clean train, I said this train
It's the prettiest train I ever have seen, this train
It's the prettiest train I ever have seen, oh this train
It's the prettiest train I ever have seen
But if you want to ride you better get redeemed
Because this train is a clean train, I said this trainHey, this train is bound for glory, this train
This train is bound for glory, I said this train
Hey, this train is bound for glory
Everybody riding her must be holy
'Cause this train is a clean train, I said this train[Break - guitar/fiddle]This train don't pull no jokers, I said this train
This train don't pull no jokers, uh-uh this train
Hey, this train don't pull no jokers
No tobacco chewers and no cigar smokers
'Cause this train is a clean train, I said this train
This train is a clean train, I said this train
This train is a clean train, I said this train
This train is a clean train
Everybody ride it in Jesus' name
'Cause this train is a clean train, I said this trainHey, this train is a clean train, I said this train
