

Did It Again

Kylie Minogue

Clever girl
Think you are but you think too much
Shut down turn around
Don't look that way any moreClever girl
Think you know but you don't know much
Try to make a move
Go to a different doorYou know it's all in your head
You better put that business to bed
By your fair hands of design you met with
The monster in your mindYou did it again
You did it again
Won't you listen to me when I'm telling you it's no good for youClever girl
Think you're right
But what's right from wrong
Little miss genius
You make it hard on yourselfClever girl
You've got it all but you're all messed up
Time now turn around
Move onto something elseYou know it's all in your head
You'd better put that business to bed
What you see nobody sees
It only brings you to your kneesClever girl
Think you're right
But what's right from wrong
Little miss genius
You make it hard on yourself
