## Mariah Carey

Ah, ah, ah, ah ah  
Ooh, ooh, ooh, ooh, ooh  
La, la, la, la  
Ah, ah, ah, ah ah Once upon a time, we swore not to say goodbye  
Something got a hold of us, and we changed  
Then you sat alone in pride, and I sat at home and cried  
How'd our fairytale just end up this way? We went round for round 'til we knocked love out  
We were laying in the ring, not making a sound  
And if that's a metaphor of you and I  
Why is it so hard to say goodbye? I can't wait to hate you, make you pain like I do  
Still can't shake you off  
I can't wait to break through these emotional changes  
Seems like such a lost cause I can't wait to face you, break you down so low  
There's no place left to go  
I can't wait to hate you Oh, this was a love phenomenon no one could explain  
And I wish I could press reset and feel that feeling again  
I sit and press rewind and watch us every night  
Wanna pause it, but I can't make it stay We went round for round 'til we knocked love out  
We were laying in the ring, not making a sound  
And if that's a metaphor of you and I  
Why is it so hard to say goodbye? I can't wait to hate you, make you pain like I do  
Still can't shake you off  
I can't wait to break through these emotional changes  
Seems like such a lost cause I can't wait to face you, break you down so low  
There's no place left to go  
I can't wait to hate you No need to call my phone 'cause I changed my number today  
And matter fact, I think I'm moving away, away  
Sorry, the frustration's got me feeling awake  
And I just keep having one last thing to say And I just wanna hold you, touch you, feel you, be near you  
I miss you baby, baby, baby  
I'm tired of try'na fake through, but there's nothing I can do  
Boy, I can't wait to hate you I can't wait to hate you, make you pain like I do  
Still can't shake you off  
I can't wait to break through these emotional changes  
Seems like such a lost cause I can't wait to face you, break you down so low  
There's no place left to go  
I can't wait to hate you, baby I can't wait to hate you  
'Cause right now I need you  
I can't wait to let you go
