

# I Was Here

Kristin Chenoweth, George Doering, Michael Thompson

You will notice me  
I'll be leaving my mark  
Like initials carved  
On an old oak tree  
Just wait and see  
Maybe I'll write like Twain wrote  
Maybe I'll paint like Van Gogh  
Hear the column called "I don't know  
But I'm ready to start 'cause I'll know in my heart  
I wanna' do something that matters  
Say something different  
Something that sets the whole world on its ear  
I wanna' do something better with the time I was given  
I wanna' try to touch a few hearts in this life  
Leave nothing less than something that says "I was here"  
I will prove you wrong  
If you think I'm all talk  
You're in for a shock  
'Cause this dream's too strong  
And before too long  
Maybe I'll compose symphonies  
Maybe I'll fight for world peace  
'Cause I know it's my destiny  
To leave more than a trace of myself in this place  
I wanna' do something that matters  
Say something different  
Something that sets the whole world on its ear  
I wanna' do something better with the time I was given  
I wanna' try to touch a few hearts in this life  
Leave nothing less than something that says "I was here"  
I wanna' do something that matters  
Say something different  
Something that sets the whole world on its ear  
I wanna' do something that matters  
Say something different  
Something that sets the whole world on its ear  
I wanna' do something that matters  
Say something different  
Something that sets the whole world on its ear  
I wanna' do something better with the time I was given  
I know that I will do more than just pass through this life  
Leave nothing less than something that says "I was here"  
I was here  
I was here
