ALL I NEED

The Frights

Is this what I'm supposed to do?
Blow out my vocal cords for you
It's not like I'm trying to cause a scene
I screamed about things I don't mean
In my head, I find it's hard to think
Making out, your hand is on my cheek
Kiss me slowly so I can fall asleep
You are my baby
That's all I need
The endless call of your caress
My bleeding heart is on my chest
You pump the blood so I can beathe
Don't let me go don't ever leave
In my head, I find it's hard to think
Making out, your hand is on my cheek
Kiss me slowly so I can fall asleep
You are my baby
That is all i need
In my head, I find it's hard to think
Making out, your hand is on my cheek
Kiss me slowly so I can fall asleep
You are my baby
That's all i need
