

# Casablanca

## Bertie Higgins

I fell in love with you watching Casablanca  
Back row of the drive-in show in the flickering light  
    Popcorn and cokes beneath the stars  
    Became champagne and caviar  
    Making love on a long hot summer's night  
I thought you fell in love with me watching Casablanca  
    Holding hands 'neath the paddle fans  
    In Rick's candle lit cafe  
    Hiding in the shadows from the spies  
    Moroccan moonlight in your eyes  
Making magic at the movies in my old Chevrolet  
    Oh a kiss is still a kiss in Casablanca  
    But a kiss is not a kiss without your sigh  
    Please come back to me in Casablanca  
I love you more and more each day as time goes by  
    I guess there're many broken hearts in Casablanca  
    You know I've never really been there so I don't know  
    I guess our love story will never be seen  
    On the big wide silver screen  
But it hurt just as bad when I had to watch you go  
    Oh a kiss is still a kiss in Casablanca  
    But a kiss is not a kiss without your sigh  
    Please come back to me in Casablanca  
I love you more and more each day as time goes by
