

No Matter

Cat Power

I am like powder
I am like relaxation
I am the snow
I am the snow
I am the snow I dig in this ocean
And I try to fill it with gold
Fill it to the top X3
Do you look for hope in other people's eyes
Well that may be your worst redemption
Do you feed and clothe yourself
Well that may be your best defense I am from the moon X3
So they say X2 Facing, confronting, branding each other
We were made through one another Great expectations X2
So they say X3 I am the snow X2
I happen to be the snow
