

# Little Darling (I Need You)

## The Doobie Brothers

It's so hard lovin' you  
But I just can't let you go Little darlin', I love you  
Little darlin', I need you  
Little darlin', I want you  
Little darlin', got to have you And if it means givin' up my pride  
Oh, I'm gonna give it up, give it up  
There's always one who loves more than the other  
I don't mind, I don't mind I'm willin' to pay the price  
Have your love at any sacrifice Little darlin', I need you  
Little darlin', I love you  
Little darlin', I want you  
Little darlin', got to have you, oh Only my pillow knows how many tears I've cried  
Only my heart knows the awful hurt I feel inside  
My life is so lonely waitin' for you to love me only  
I'm willin', darlin' I'm willin' to pay the price  
Have your love at any sacrifice Little darlin', I need you  
Little darlin', I want you  
Little darlin', I love you  
Little darlin', I need you  
Little darlin', I want you  
Little darlin', got to have you Yeah, there was a time way back in your life  
When I was the only one, only one  
You'd better let this fool back in  
Or you will be the lonely one Oh darlin', I love you  
Little darlin' I need you  
Little darlin', I love you  
Little darlin', I want you Yeah, there was a time way back in your life  
When I was the only one  
You'd better let this fool back in now  
Or you will be the lonely one  
Darlin', I love you, little darlin' I need you
