

Avenues & Alleyways

[Tony Christie](#)

Sleep like a baby my little lady
Dream till the sunrise creeps into your eyes
Dream till the sunrise turns on the day

In the avenues and alleyways
While you sleep, there's a whole world coming alive
Abel and his brother fight with one another
In and out of every dive

The avenues and alleyways
Where the strong and the quick alone can survive
Look around the jungle, see the rough and tumble
Listen to a squealer cry
Then a little later in the morning paper
Read about the way he died

Wake up, my pretty, go to the city
Stay through the daytime, safe in the sunshine
Stay till the daytime turns into night

In the avenues and alleyways
Where a man's gotta work out which side he's on
Anyway he chooses, chances are he loses
No one gets to live too long

The avenues and alleyways
Where the soul of a man is easy to buy
Everybody's wheelin', everybody's stealin'
All the low and living high
Every city's got 'em, can we ever stop 'em?
Some of us are gonna try
