Back To Then

The Pillows

I'd like to ask you from the start
If you could pull me out of the dark.
Or if our love could fall apart like cookies crumble.
See, I'm a demon on the loose.
I'm like an engine with no caboose.
And I need somebody who can really handle me.
Yeah, baby, I'm a wild one.
Don't let me run.
Don't let me get away.
Yeah, baby, I'm a wild, wild one.
Yeah, baby, I'm a wild one.
