Bad Influence

P!nk

Alright sir
Sure I'll have another one it's early
Three olives, shake it up, I like it dirty (dirty)
Tequila for my friend it makes her flirty (flirty)
Trust me

I'm the instigator of underwear
Showing up here and there uh oh (oh no)
I'm always on a mission from the get-go (get-go)
So what if it's only 1 o'clock in the afternoon
It's never too soon to send out all the invitations to the last night (of your life)

[Chorus]
Lordy, Lordy, Lordy!
I can't help it I like to party, it's genetic!
It's electrifying, wind me up and watch me go
Where she stops, nobody knows
A good excuse to be a bad influence on you and you

You, you, you, you
You, you, you, you
You, you, you, you
You, you, you

Alright ma'am (ma'am)
Calm down I know your son said he was in my house (my house)
He was the captain of the football team but I turned him out
He wasn't the first and he won't be the last, to tone it down
This happens all the time

I'm a story to tell the alibi
They wanna go home I asked them (why)
It's daylight (not night)
They might need a break from all the real life (get a life)
It gets to be too much sometimes
It's never too late to send out all the invitations to the last night of (your life)

[Chorus]

I'm off to see the doctor

I hope she has a cure
I hope she makes me better
What does that even mean? (we don't know!)

[Chorus:Repeat x3]

And you
I'm a good excuse
To be a bad influence on you, and you, and you
