Robyn Is Here

Robyn

Robyn is here
Robyn is here
Robyn is here, gotta let you know
Lend me your ears, can you hear my flow?
Robyn is here, gotta let you know
Lend me your ears, can you hear my flow?
Wake up people, there's something new in the air
Can you hear it, smell it, feel it? Robyn is here
Provin' I'm alive when I'm comin' with the spring
I'm makin' my debut, summer '95, startin' to sing
Better wake up 'cause I will make you feel alright
Will get you in that freaky mood, will make you make love tonight
I am here to sing, joy is what I bring
Comin' with a positive feelin' 'cause this is a Robyn thing
Robyn is here
Robyn is here
Robyn is here, gotta let you know
Lend me your ears, can you hear my flow?
Robyn is here, gotta let you know
Lend me your ears, can you hear my flow?
Goin' downtown, sittin' in the front seat
My head is spinnin' 'round and 'round because of the heat
The sun is shinin', it makes everybody horny
I'm just about to face it that everybody I know is goin' crazy
My girls are dressed up from their heads to their feet
But there ain't much, them clothes will hide
Guys are makin', makin' the scene complete
I'm tellin' it's contagious, it's the summer vibe and I'm here now
Robyn is here
Robyn is here
Robyn is here, gotta let you know
Lend me your ears, can you hear my flow?
Robyn is here, gotta let you know
Lend me your ears, can you hear my flow?
A dedication to this special time of the year
And a celebration, 'cause finally I am here
Spreadin' love to all of my family and my friends
To that special one I'm thinkin' of and to my audience
I'm lettin' everything else go

Have only one thing on my mind tonight
I'm gonna let you know my flow
I'm gonna make you feel alright
Robyn is here
Robyn is here
Robyn is here, gotta let you know
Lend me your ears, can you hear my flow?
Robyn is here, gotta let you know
Lend me your ears, can you hear my flow?
Robyn is here
Robyn is here
