Never long to keep up on it, you can bet that

But you can x that, 'cause Imma sex that

Weigh 264, but a fly nigga though
Blow and pitch black, break a chick back
Playa please don't act, and make me click clack

Now I do damage y'all cant manage
Bring your girl make a Heavy D sandwich
What the deal you wanna slide with D

Lo girl you done did this be'fo
Slide out the back doe
So don't nobody know
Jump in the benzo
Push the pedal to the flo
Wont leave you lonely
And the breakfast on me

[Chorus x2]

I oughta pull over on the highway, and do you my way
Smokin on that fire hay, takin' the back streets where I stay

And you gon do it this way
'Cause you gon feel it my way
(Baby check me out now)
I don't know what you see in me
Maybe it's my jewelery
Don't know bout where you from
But where I'm from we get it done

[Chorus x3]
