

# First Lady

**Faith Evans**

First lady, move me  
Tell me of your song  
It's sad but true  
Touched by the feeling memories I adore  
I'm glad I have you  
My lady, very first lady  
Cherished songs you passed on to  
I feel compelled to thank you, dear love  
You will remain forever  
I wish there was some way to thank you  
So I write this song dedicated to you  
You will remain forever  
I wish there was some way to thank you  
So I write this song dedicated to you
