Sugar For the Soul

Steve Balsamo

Got a feeling that something's changing
There's a new star in my sky
Got a reason for celebration
This time, this time
I can't tell you why but it's no lie
I'm on a natural high

She's got a love that's good for me
It's like sugar for the soul
And every day it's a little more sweet
Just like sugar for the soul

I found someone that goes much deeper
Always keeps me satisfied
Like an angel she'll be my healer
Tonight, tonight
I can't let her go cause now I know
I'm on a natural high

She's got a love that's good for me
It's like sugar for the soul
And every day it's a little more sweet
Just like sugar for the soul

She's got a love for me
Got a love
Got a love
Got a love
Got a love

I can't let her go cause now I know
I'm on a natural high

She's got a love that's good for me
It's like sugar for the soul
And every day it's a little more sweet
Just like sugar for the soul

She's got a love for me

Just like sugar for the soul

Just like sugar for the soul
