

I'm Through With Love

Chuck Berry

I'm thru with love,
I'll never fall again.
Said I do to love,
Don't ever call again.
For I must have you
Or no one.
That's why I'm thru with love. I've locked my heart.
I keep my feelings there.
I have stopped my heart
Like an icy frigidaire.
For I need to care for no one.
That's why I'm thru with love. Why did you leave me
To think that you cared.
You didn't need me.
You have your share
of slaves around you
To hound you and swear
Their deep devotion.
Emotion. Did you good by the spring
And all it meant to me
a good neighbor
The things that used to be.
For I must have you or no one.
That's why I'm thru with love.
That's why I'm thru with love.
