Jealousy

Pet Shop Boys

At dead of nights, when strangers roam
The streets in search of anyone who'll take them home
I lie alone, clock strikes three
And anyone who wanted to could contact me
At dead of night, till break of day
Endless thoughts and questions keep me awake
It's much too lateWhere've you been? Who've you seen?
You didn't phone when you said you would
Do you lie? Do you try?
To keep in touch you know you could
I've tried to see your point of view
But could not hear or see for jealousyI never knew time passed so slow
I wish I'd never met you, or that I could bear to let you go
At dead of night, till break of day
Endless thoughts and questions keep me awake
It's much too lateWhere've you been? Who've you seen?
You didn't phone when you said you would
Do you lie? Do you try?
To keep in touch you know you could
I've tried to see your point of view
But could not hear or see for jealousyWhere've you been? Who've you seen?
You didn't phone when you said you would
Do you lie? Do you try?
To keep in touch you know you could
I've tried to see your point of view
But could not hear or see for jealousyWhere've you been? Who've you seen?
You didn't phone when you said you would
Do you lie? Do you try?
To keep in touch you know you could
I've tried to see your point of view
But could not hear or see for jealousyWhere've you been? Who've you seen?
You didn't phone when you said you would
Do you lie? Do you try?
To keep in touch you know you could
I've tried to see your point of view
But could not hear or see for jealousyI never knew till I met you
