

# I Wish

## Stevie Wonder

Looking back on when I was a little nappy headed boy  
Then my only worry was for Christmas what would be my toy  
Even though we sometimes would not get a thing  
We were happy with the joy the day would bring Sneaking out the back door to hang out with those hoodlum  
friends of mine  
Greeted at the back door, I thought I told you not to go outside  
Tryin' your best to bring the water to your eyes  
Thinkin' it might stop her from whippin' your behind I wish those days could come back once more  
Why did those days ever have to go?  
I wish those days could come back once more  
Why did those days ever have to go?  
'Cause I love them so Brother says he's tellin' 'bout you playin' doctor with that girl  
Just don't tell I'll give you anything you want in this whole wide world  
Mama gives you money for Sunday school  
You trade yours for candy after church is through Smokin' cigarettes and writing something nasty on the wall  
Teacher sends you to the principal's office down the hall, I can't do it  
You grow up and learn that kinda thing ain't right  
But while you were doin' it, it sure felt out of sight I wish those days could come back once more  
Why did those days ever have to go?  
I wish those days could come back once more  
Why did those days ever have to go? What did you say?  
Baby, baby, baby
