

This Time I'm Leaving

The Wedding

And I'll see you in the morning at the break of daylight
But if you wake up and I'm gone, I'll see you on the other side
Late nights talking, we stood by the window by
ourselves
Rembering the starry nights and wishing they could be ours
And now we wonder what happened to those times
'Cause I'd give anything to have you here tonight
And I'll see you in the morning at the break of daylight
But if you wake up and I'm gone, I'll see you on the other side
When you're kids like us you do whatever,
whatever it takes
To get to where we are now, to get to where we are now
When you're kids like us you do whatever, whatever it takes
To get to where we are now, to get to where we are now
Nothing holds you back when you're kids like us
Chasing our dreams and living your life for every second
Nothing holds you back when you're kids like us
So chase your dreams and live your life for every second
And I'll see you in the morning at the break of daylight
But if you wake up and I'm gone, I'll see you on the other
And I'll see you in the morning at the break of daylight
But if you wake up and I'm gone, I'll see you on the other side
