Long Ago and Far Away

Johnny Mathis

Dreary days are over
Life's a four-leaf clover
Sessions of depressions are through
Every hope I longed for long ago comes trueLong ago and far away
I dreamed a dream one day
and now that dream is here beside meLong the skies were overcast
But now the clouds have passed
You're here at lastChills run up and down my spine
Aladdin's lamp is mine
The dream I dreamed has not denied me
