# We Were Waiting

## drumfish

You cant tell me how to feel
And I cant tell you what is real
And I am, I am
The only one who is my friendWe were waiting
We were waiting so high
So high
So high
So highAnd I dont feel it anymore
I wont take it anymore
My friend the place I am is here
I wish you to be in fearWe were waiting
We were waiting so high
So high
So high
So highNo I dont believe your way of getting even
Youre just wrong
And I cant break through this grey faade
Youre mask protects you very well its
Always onWe were waiting
We were waiting so high
So high
So high
So high
