Running Free

Lou Ruiz

Feeling like I donâ€™t know ya
We donâ€™t speak anymore, no
Iâ€™ve been runninâ€™ â€˜round in circles
Stuck inside this war

Can we go back to the way that it used to be
And you and me by the river in the middle of spring
And not a care in the world, not a care in the world
Can we go back to the time, what a simple place
You and I never tried, it was simple days
And not a care in the world, not a care in the world

â€˜Cause I remember runninâ€™ free feeling like you carried me
Underneath the night sky and my heart was yours and yours was mine
And we were like a melody, sweeter than a symphony
Underneath the night sky and my heart was yours and yours was mine
And my heart was yours and yours was mine

Here is my surrender.
My heartâ€™s such a mess
Please would you forgive me?
Take me as I am

Can we go back to the way that it used to be
And you and me by the river in the middle of spring
And not a care in the world, not a care in the world

Because I remember runninâ€™ free feeling like you carried me
Underneath the night sky and my heart was yours and yours was mine
And we were like a melody, sweeter than a symphony
Underneath the night sky and my heart was yours and yours was mine
And my heart was yours

Iâ€™m leavinâ€™, Iâ€™m leavinâ€™
Leavinâ€™ it all behind
â€˜Cause I need you, I need you
I need you by my side
And Iâ€™m leavin, Iâ€™m leavinâ€™, leavin it all behind

Because I remember runninâ€™ free feeling like you carried me

Underneath the night sky and my heart was yours and yours was mine
We were like a melody, sweeter than a symphony
Underneath the night sky and my heart was yours and yours was mine
Oh, I remember runninâ€™ free, yeah, feeling like you carried me
Underneath the night sky and my heart was yours and yours was mine
And we were like a melody, sweeter than a symphony
Underneath the night sky, my heart was yours and yours was mine
My heart was yours and yours was mine, yeah
