Easy Tonight

scrubs ost

You were wrong, you were right
And you are gone tonight
You were free so alive
You were wrong, you were right
And you were down, you could see
And you wore hearts for me
You were sharp, sharp as knives
You were wrong, you were right
Shot down, said you never had the chance
Took a ride on a suicide romance
Could have sworn there was somebody home
To facilitate the great unknown
Woman, I ain't going to meet you anywhere
Don't know where I'm going yet but I sure am getting there
Shotgun fire, anybody home
I got two dimes in the telephone
Alright, no it's not easy tonight
Shotgun fire, anybody home
I got two dimes in the telephone
Alright, no it's not easy tonight
And you were bound, you were free
And you wear black for me
You were dark, as dark as night
You were wrong, yeah you were right
Shot down, said you never had the chance
Took a ride on a suicide romance
Could have sworn there was somebody home
To facilitate the great unknown
Woman, I ain't going to meet you anywhere
Don't know where I'm going yet, no but I sure am getting there, yeah
Shotgun fire, anybody home
I got two dimes in the telephone
Alright, no it's not easy tonight
Shotgun fire, anybody home
I got two dimes in the telephone
Alright, no it's not easy tonight
She's in over my head
And it's not easy, it's not easy tonight
She's in over my head

And it's not easy, it's not easy tonight
Shotgun fire, anybody home
I got two dimes in the telephone
Alright, it's not easy tonight
Shotgun fire, anybody home
I got two dimes in the telephone
Alright yeah
You were free, now your not
You were free, baby
