Last Train (Metome Remix)

Dawn Golden

I won't be what you want me to be, baby
I won't say what you want me to say
I'll be right here when you call my name, waitingAnd when you tell me you don't want me here
And you, you keep my number 'til the rent check's clear
And my, my body starts burnin' upAnd well, I don't want you anymore
So take the money and run to your man, I quit givin' a fuck
And well, I don't trust you anymore
So take the last train home in the dark
And quit breakin' my heartWell, I won't be what you want me to be, baby
And I won't say what you want me to say
I think about you every night and day latelyAnd when you tell me you don't want me near
And I, I took to punchin' out your bathroom mirror again
It felt like losin' a friendAnd well, I don't want you anymore
So take the money and run to your man, I quit givin' a fuck
And well, I don't trust you anymore
So take the last train home in the dark and quit breakin' my heart
