

# Gorgeous (Live at House of Blues CA)

[AJ McLean](#)

Hey, you're beautiful and I don't mind  
You know I wanted you for such a long time  
Don't think I don't notice your wondering eyes  
Keep the options open for a sexier guy You're in love with yourself, don't want anyone else  
To be caught with you in the spotlight  
Girl I know I'm the best I can beat all the rest But you can't see that  
Don't you know I'm gorgeous  
Sexier than anything,  
Gorgeous,  
So much more that I can be  
You can't see it  
Don't you know I'm gorgeous  
I love myself more than I love you Baby I know it's hard to understand  
That all this sexy brings the freaky beast in me,  
Don't think I don't notice when you open your thighs  
That they were made for a sexy guy You're in love with yourself, don't want anyone else  
To be caught with you in the spotlight  
And I know I'm the best I can beat all the rest But you can't see that  
Don't you know I'm gorgeous  
Sexier than anything,  
Gorgeous,  
So much more that I can be  
You can't see it  
Don't you know I'm gorgeous I love myself more than I love you  
Unlike no other I'll do you right  
Unlike your mother your pussy is tight I'm gorgeous  
Sexier than anything,  
Gorgeous,  
So much more that I can bring  
You can't see it  
Don't you know I'm gorgeous  
I love myself more than I love you  
Love myself love myself more than I love you I'm so Gorgeous
