Highest Bitter

Circus Maximus

Facing I am fading.
I've become the world transparent.
Seize me as I'm waisting. bitter tears.
In glorifying you,
Feels like I'm being devoured,
devoured by feeling blue.
I build it up you always tare it down.
It seems like this is it when you're around.
It's not that I don't wanna play the game.
It's just that if I lose then you're to blame.
You only aim for my weak mind.
The one you know that you can buy.
You make me sell myself to the
Highest bitter.
Welcome to this exhibition,
where I am the main attraction.
Come and see me in the pillory.
Enjoy my misery.
I know you've said it all before.
When it was up to you
I didn't pull it through.
I never cried out when you lied.
I just smiled and slowly died.
I build it up you always tare it down.
It seems like this is it when you're around.
It's not that I don't wanna play the game.
It's just that if I lose then you're to blame.
You only aim for my weak mind.
The one you know that you can buy.
You make me sell myself to the
Highest bitter.
I build it up you always tare it down.
It seems like this is it when you're around.
It's not that I don't wanna play the game.
It's just that if I lose then you're to blame.
You only aim for my weak mind.
The one you know that you can buy.
You make me sell myself to the
Highest bitter.
