

# Everybody Loves Me

## OneRepublic

Hell sees her shadow on my backseat  
And her friends are standing right in front of me  
World wide from the Cimmaron to Turkey  
Open up, said everybody loves me  
And you don't have to make a sound  
'Cause they got what you need, what you need  
Oh, oh, oh, oh  
Got love for the people that have warned you  
God love all your sentimental virtue  
Eight balls with the takers that'll make you  
Lay cards with the lovers that'll hate you  
And you don't have to make a sound  
They got what you need, what you need  
Make you say  
Oh my, feels just like I don't try  
Look so good I might die  
All I know is everybody loves me  
Head down, swaying to my own sound  
Flashes in my face now  
All I know is everybody loves me  
Everybody loves me, everybody loves me  
Well I, play the music, don't stop till I turn gray  
Stars forever like John Sousa never fade  
He had a beautiful child, named her Desiree  
Hope I'm remembered for the things that I never made  
'Cause you don't have to make a sound  
When they got what you need  
Make you say  
Oh my, feels just like I don't try  
Look so good I might die  
All I know is everybody loves me  
Head down, swaying to my own sound  
Flashes in my face now  
All I know is everybody loves me  
Everybody loves me  
Everybody  
Everybody, oh  
Everybody  
Everybody

Don't need my health  
Got my name and got my wealth  
I stare at the sun  
Just for kicks all by myself  
I lose track of time  
So I might be past my prime  
But I'm feeling, oh so good  
Yeah  
Oh my, feels just like I don't try  
Look so good I might die  
All I know is everybody loves me  
Head down, swaying to my own sound  
Flashes in my face now  
All I know is everybody loves me  
Everybody loves me  
Don't you know who you are?  
Everybody  
Everybody  
Everybody  
Whoa, yeah
