

# My Heart Has a Mind of Its Own

[Reba McEntire](#)

I told this heart of mine our love would never be  
But then I hear a voice and somethin' stirs inside of me  
Somehow I can't dismiss the memory of your kiss  
I guess my heart has a mind of its own No matter what I do, no matter what I say  
No matter how I try I just can't turn the other way  
When I'm with someone new I always think of you  
I guess my heart has a mind of its own You're not in love with me so why can't I forget  
I'm just your used to be it's wrong and yet I know forgetting you would be a hopeless thing  
For I'm a puppet and I just can't seem to break the strings  
I say I'll let you go but then my heart says no  
I guess my heart has a mind of its own  
I guess my heart has a mind of its own
