

# Life's Highway

## Catherine Britt

The sun is up, the time's at hand  
There's a stir across the land  
So begins another day  
On life's highwayOn city streets, down country roads  
Like a stream, the people flow  
There's bread to win and tolls to pay  
On life's highwayThere is hope with every turn  
A bridge to build, a bridge to burn  
Here's hoping you never go astray  
On life's highwayWe are young then we're old  
Passing through, then passing on  
Like roses bloom and fade  
On life's highwayThere is hope with every turn  
A bridge to build, a bridge to burn  
Here's hoping you never go astray  
On life's highwayStep by step, round and round  
Never knowing where we're bound  
From the cradle to the grave  
On life's highway
