

# Garden of Earthly Delights

XTC

Kid, stay and snip your cord off, talk and let your mind loose  
Can't all think like Chekov but you'll be okay  
Kid, is this your first time here? Some can't stand the beauty  
So they cut off one ear but you'll be okayWelcome to the garden of earthly delights  
Welcome to a billion Arabian nights  
This is your life and you do what you want to do  
This is your life and you spend it all, this is your life  
And you do what you want to do, just don't hurt nobody  
And the big reward's here in the garden of earthly delightsKid, pick up with another, some will even drop you  
But hearts are built like rubber, so you'll be alright  
Kid, swallow but believe us, you won't die of boredom  
Should you have to leave us, it'll be alrightWelcome to the garden of earthly delights  
Welcome to a billion Arabian nights  
This is your life and you be what you want to be  
This is your life and you try it all, this is your life  
And you be what you want to be, just don't hurt nobody  
'Less of course they ask you in the garden of earthly delightsWelcome to the garden of earthly delights  
Welcome to a billion Arabian nights  
This is your life and you do what you want to do  
This is your life and you spend it all, this is your life  
And you do what you want to do, just don't hurt nobodyWelcome to the garden of earthly delights  
Welcome to a billion Arabian nights  
Welcome to the garden of earthly delights  
Welcome to a billion Arabian nightsThis is your life and you be what you want to be  
This is your life and you try it all, this is your life  
And you be what you want to be, just don't hurt nobody  
'Less of course they ask you in the garden of earthly delights
