Forget

Boxed In

If you want to
If you want to forget yeah
If you want to
If you want to i'll let you
If you want to
If you want to forget yeah
If you want to
If you want to i'll let you
If you want to
If you want to forget yeah
If you want to
If you want to i'll let you
If you want to
If you want to forget yeah
If you want to
If you want to i'll let you
Has it come to this?
have you come to your sesnses
as you look through
as you look through those glasses
I want to
yeah I want to belive but
i'ts not you
it's not you underneath
If you want to (i'll let you)
If you want to forget yeah
If you want to (i'll let you)
If you want to i'll let you
If you want to (i'll let you)
If you want to forget yeah
If you want to (i'll let you)
If you want to i'll let you
you got touched by your century
time again to wear and he'll break you gently
lost between all the moments when
thought it began
now you know he really is
you got touched by your century
time again to wear and he'll break you gently

lost between all the moments when
thought it began
now you know he really is here
now you know he really is here
If you want to
If you want to forget yeah
If you want to
If you want to i'll let you
If you want to
If you want to forget yeah
If you want to
If you want to i'll let you
If you want to
If you want to forget yeah
If you want to
If you want to i'll let you
If you want to
If you want to forget yeah
If you want to
If you want to i'll let you
