That's Not Enough

People try to push me around and around
They tell me what's goin' up, I tell them what's goin' down
Why don't they leave me alone, I'm just high on life
Just livin' on the edge that's what I likeYa don't fool me or rule me
I know better
Ya don't fool me or rule me
I can't take anymoreThat's not enough for me 'cause if you want me
You got to prove that you're true
Don't want nobody messin' round
Behind my back doing things that they doYa like to sit, rap, talk about it chit chat and smile
Kinda gossipin' about the scene
I don't want none of that that's where it's at
Come on, grow up, that's what I mean ya
