What Can I Say

Boz Scaggs

(Boz Scaggs / David Paich)

(What can I say...what can I do)

Three a.m. its me again and wouldn't you know
Things would have to end this way
I did my best the perfect guest knew when to go
Perfect you knew when to stay

Come on tell me that youÂ´re lonely dear
I've been feeling down some too
After all this time now aint it clear
I've been waiting just for you

(What can I say)
Oh to make you know baby
(What can I do)
Oooh show you that I care
(What can I say)
Mmmmm got to have your number baby
(What can I do)
Do...oooooooo

CanÂ´t you see the people just stop and stare
Don't it make you wonder why
I just happened to be standing there
Can't you see it in my eyes

(What can I say)
Ooooh you got me acting like a fool girl
(What can I do)
Oooh stop making like a little school girl
(What can I say)
Could be your lucky day baby
(What can I do)
Ooooh... talk to me
Ooooh... talk to me girl

(What can I say)
Oh to make you know baby

(What can I do)
Oooh to show you that I care
(What can I say)
Oooh IÂ´m all down on my knees
Please please please
What can I say
Oooh what can I do...
