

# The Cowboy Rides Away

[George Strait](#)

I knew the stakes were high right from the start  
When she dealt the cards I dealt my heart  
Now I just found a game that I can't play  
And this is where the cowboy rides away And my heart is sinking like the setting sun  
Setting on the things I wish I'd done  
It's time to say good bye to yesterday  
And this is where the cowboy rides away We've been in and out of love and in between  
And now we play the final showdown scene  
And as the credits role a sad song starts to play  
And this is where the cowboy rides away And my heart is sinking like the setting sun  
Setting on the things I wish I'd done  
Oh the last good bye's the hardest one to say  
And this is where the cowboy rides away  
Oh the last good bye's the hardest one to say  
And this is where the cowboy rides away
