Rhythm Of The Radio

JT Hodges

A ruby red sunset is fadin' in the sky
It's givin' me a feelin' like this could be the night
I can't wait to see your smilin' eyes smile at me
Everything about you girl makes my heart skip a beatWhoa, dancin' soft and slow
Whoa, to the rhythm of the radioI love the way the twilight paints upon your skin
The way your hair falls after wavin' in the wind
We'll cruise around, roll on down the abandoned railroad tracks
Hold each other in the golden rays of my Daddy's old CadillacWhoa, dancin' soft and slow
Whoa, to the rhythm of the radio
Whoa, losin' our control
Whoa, to the rhythm of the radioMovin' to the music
Movin' through you and me
Never gonna lose it, this sweet memoryWhoa, dancin' soft and slow
Whoah, woah, dancin' soft and slow
Whoa, to the rhythm of the radioWhoa, losin' all control
Whoa, to the rhythm of the radio
The rhythm of the radio
The rhythm of the radio
