

Beware

Big Sean

[Hook: Big Sean & Jhene Aiko]

When you said it was over
You shot right through my heart
Why you let these hoes tear what we had right apart
Oooh, I was so mad
I should've see this coming right from the start
You should beware, beware, beware of a women with a broken heart[Verse 1: Big Sean]

Praying to a sky all black
Looking at the stars like they finna talk back
Looking at my phone like she finna call back
But last night I feel like probably ended all that
Cause by now she woulda sent a text in all caps
Then another one tryna take all back
Saying fuck you, I miss you or I hate you so much
Cause girls only say "I hate you" to the guys that they love
I know, I know, I know

The highs, the lows it comes and goes
You say "be real" I try, I don't
Cause you take anything and just make it everything
Kept my phone on silence every since you got a ring (funny right?)
And I never cheated (I mean, maybe once, twice)
One time don't change everything
She ask why I don't feel the same, I'm still the same
She's still insane and know she's saying[Hook]

When you said it was over
You shot right through my heart
Why you let these hoes tear what we had right apart
Oooh, I was so mad
I should've see this coming right from the start
You should beware, beware, beware of a women with a broken heart[Verse 2: Big Sean]

Okay, skeet, smoke
Sleep, call
Miss, text
Woke, spoke
Lie, feel, Lisa ew
Time, kill, months, still
I got somebody baby mama calling me daddy
I drank to much, please call me a cabby
Penthouse after party hoes want that addy

Fuck they can ride with us, crawl in a Caddy
Third row is when you call, I hit cancel
Really? I hit answer, fuck I hate when that happens
Phone in my pocket for the whole night
And you heard bitches screamin' til my phone dies
Then she text me like "why you still talk to my mama?"
How the fuck you run around with condoms?
Why you make me get this tattoo?
Man, fuck this tattoo you the reason I wasn't single in college
What? all because I had you
Nigga I don't even have you
How am I suppose to get passed you?
And she called the next guy spillin' some real shit
Now they problems he got to deal with[Hook]
When you said it was over
You shot right through my heart
Why you let these hoes tear what we had right apart
Oooh, I was so mad
I should've see this coming right from the start
You should beware, beware, beware of a women with a broken heart[Verse 3: Lil Wayne]
Girl, don't believe them hoes
Cause they don't wanna see us together
And you already know you're too fly
But baby, don't get your hair caught in the propellers
I be tryna tell her these hoes is jealous
You know they never like it when you never say never
Long hair, red bone, but her pussy is hairless
Muah, I french kiss it like we in Paris
I be screaming out, "ain't no woman like the one I got"
But she be always worrying about the one I fucked
She said it's gonna be me, myself and I
Damn, that would make me a one night fuck
Sch, I was so mad
Damn, you used to ride a nigga like a moped
But players fuck up, my bad
And just to keep from crying, I laughed
When you said it was over
You shot right through my heart
Why you let these hoes tear what we had right apart
Oooh, I was so mad
I should've see this coming right from the start
You should beware, beware, beware of a women with a broken heart[Outro x2: Jhene Aiko]
Baby, last time calling me baby
Last time calling me crazy
Crazy, Crazy
