

Torn

All Star United

It's excruciating
I know you need to know where we stand
Is there harm in waiting?
Is this my only chance to take your hand? I'm torn in two by what I should or should not do
Torn, I'm torn in two, will you wait for me, if I run from you? I really must confess
It feels like there's a war in me
I'm drawn to those who offer less
But is this really where I need to be? I'm torn in two by what I should or should not do
Torn, I'm torn in two, will you wait for me, if I run from you? Over this I'm losing rest I can't bear to turn away
If I try a second guess oh, I gamble it away, I'm torn
Torn, I'm torn in two, will you wait for me, should I run
from you? I'm torn
I'm torn
I'm torn
