Baby Love

Dannii Minogue

My baby
My baby
My baby
My baby
My baby
Baby love
(You are my)
Baby love
(Just call me)
Boy, there's no one home tonight
The timing could be right
To forget the blues, we're out of school
Until tomorrow
Now, if only you would stay
There's so many games to play
Why should we pretend to be just friends
When we could be so much more
My baby
Baby love
(You are my)
Baby love
(Just call me)
Baby love
(You are my)
Baby love
(Just call me)
Words don't mean so much to me
I'd rather wait and see
See what happens when the lights go down
With your arms around me
Time to leave the world behind
Save it for another time
'Cause I don't remember where I am
When you start to love me
My baby
Baby love
(You are my)
Baby love
(Just call me)

Baby love
(You are my)
Baby love
(Just call me)
Ooh, ooh-ooh, ooh-ooh
Ooh, ooh-ooh, ooh-ooh
Sweet and tasty, baby

Baby love
(My baby)
(My baby)
Boy, I want you by my side
There's no reason we should hide
How we feel when we are near each other
Under cover
Warm, I'll hold you close to me
You're perfection first degree
'Cause I don't remember where I am
When you start to love me
My baby
Baby love
(You are my)
Baby love
(Just call me)
Baby love
(You are my)
Baby love
(Just call me)
Baby love, baby, baby
(You are my)
Baby love
(Just call me)
Baby love
(You are my)
You are my baby love
(Just call me)
My baby
My baby
My baby
My baby
Baby love
(You are my)
Baby love
(Just call me)
Baby love

(You are my)
Baby love
(Just call me)
Baby love
(You are my)
Baby love
(Just call me)
Baby love
(You are my)
