

In the End

Natalie Grant

Can't catch a break
You've had your fill of old cliches
Like 'life is hard, but God is good'. But even though it's true
It won't stop what you're goin' through
I wish that I could say it would. That he's outside of what you feel
It might not make sense
But one day it will. There's comin' a day the sun will always shine
He's gonna wipe away every tear from your eyes.
Hold on, my brother
Things are gonna get better
You're gonna smile again
'Cause we win in the end Oh - oh - oh - oh - oh
Oh - oh - oh - oh - oh
Oh - oh - oh - oh - oh Oh - oh - oh - oh - oh
Oh - oh - oh - oh - oh
Oh - oh - oh - oh - oh You're standing still
Life has handed you a bitter pill
Once again you're on your face You've got questions
Plenty of secret confessions
Wonderin' if you've run out of grace But he's outside of what you feel
This life is just a moment
But our forever is sealed
Oh yeah There's comin' a day the sun will always shine
He's gonna wipe away every tear from your eyes.
Hold on, my brother
Things are gonna get better
You're gonna smile again
'Cause we win in the end It won't be about
Streets of Gold, Pearly Gates
Harps or wings, Diamond Lakes
All I know is that He's gonna hold you, hold me Heartache will disappear
Questions will become clear
Life will all make sense
In the end Oh - oh - oh - oh - oh
Oh - oh - oh - oh - oh
Oh - oh - oh - oh - oh We win in the end Oh - oh - oh - oh - oh
Oh - oh - oh - oh - oh
Oh - oh - oh - oh - oh Oh yeah
There's comin a day the sun will always shine

He's gonna wipe away every tear from your eyes
Hold on my brother
Things are gonna get better
You're gonna smile again
Cos we win in the endOh - oh - oh - oh - oh
Oh - oh - oh - oh - oh
Oh - oh - oh - oh - oh - ohWe win in the endOh - oh - oh - oh - oh
Oh - oh - oh - oh - oh
