

# Try Me (LP Version)

Esther Phillips

If you really wanna know  
If i can stand your brand of love  
Try me, why don't you try meIf you wanna know  
If I'm affected by the moon above  
Then try me, come on and try meDon't you know my heart feels strong desire  
When Im thrilled by the warmth of your touch  
Baby don't you know my souls on fire  
And I need your loving so muchIf you really wanna know  
If i am longing for your your kiss  
Then try me, why don't you try meIf you think that I'll get weak  
And I'll close a spot like this  
Please try me, I beg you try meIf you're wondering about the magic in stars  
And soft caresses  
There's only one way  
To know if its riiiiiiiiiiiiightJust take me in your arms baby!  
And try  
Try me tonite....-break-Now you know my heart feels strong desire  
When I'm thrilled by the warmth of your touch  
Baby don't you know my souls on fire  
And i need your loving so muchJust take in your arms  
And try me toniteI want you to take me in your arms  
And come on and try me toniteI beg you try me  
Try me  
Try me  
Try me toniiiiite
