

# Neon Commando

## Surferosa

Wake up, make up  
Don't stop, head up  
Give a little tvit, huh huh  
Show me yours  
I'll love you more  
Give them all a wink(chorus)  
Well it's so catchy, it's so tasty  
Well it's so catchy, it's so tasty, catchy  
It's so simple, it's all about Japan  
Coming over it's Neon Commando  
Comic people with tears in their eyes  
It's so simple  
We love JAPAN! Crowded streets and foreign language  
Hits you liek a beat huh huh  
Lot's of flavours  
Clubs for members  
Give yourself a treat(chorus) Wake up, Make up  
Forward, Don't stop  
Give a little tvit  
It's in your favour  
Go abroad and give them all a wink(chorus)
