

Wrong Baby Wrong Baby Wrong

[Martina McBride](#)

Wrong baby, wrong baby, wrong, it ain't the end of the world
Don't you worry, pretty girl
'Cause now that he's gone baby, gone baby, gone
You got nothin' to lose, count the minutes if you want to It won't be long baby, long baby, long
'Til you find somebody new Come on now, everyone falls down
Everyone crawls now and then, then they get up again
You cry if you want to, that's what we all do
But if you think you'll never move on, you're wrong baby Cry baby, cry baby, cry, go on and let it all out
I ain't leavin' you now
And we can fly baby, fly baby, fly, let's share a bottle of wine
We can laugh about the good times And you'll know why baby, why baby, why
It's gonna be alright Come on now, everyone falls down
Everyone crawls now and then, then they get up again
You cry if you want to, that's what we all do
But if you think you'll never move on, you're wrong baby, wrong Oh, you ain't gone, baby wrong, baby wrong
There's nothin' wrong with movin' on
When you know he's good and gone Come on now, everyone falls down
Everyone crawls now and then, then they get up again
You cry if you want to, that's what we all do Come on now, everyone falls down
Everyone crawls now and then, then they get up again
You cry if you want to, that's what we all do
But if you think you'll never move on, you're wrong baby, wrong
You're wrong baby, wrong
Wrong baby, wrong baby, wrong
