Wrong Baby Wrong Baby Wrong

Martina McBride

Wrong baby, wrong, it ain't the end of the world Don't you worry, pretty girl

'Cause now that he's gone baby, gone baby, gone

You got nothin' to lose, count the minutes if you want toIt won't be long baby, long baby, long

'Til you find somebody newCome on now, everyone falls down

Everyone crawls now and then, then they get up again

You cry if you want to, that's what we all do

But if you think you'll never move on, you're wrong babyCry baby, cry baby, cry, go on and let it all out I ain't leavin' you now

And we can fly baby, fly baby, fly, let's share a bottle of wine

We can laugh about the good timesAnd you'll know why baby, why baby, why

It's gonna be alrightCome on now, everyone falls down

Everyone crawls now and then, then they get up again

You cry if you want to, that's what we all do

But if you think you'll never move on, you're wrong baby, wrongOh, you ain't gone, baby wrong, baby wrong There's nothin' wrong with movin' on

When you know he's good and goneCome on now, everyone falls down

Everyone crawls now and then, then they get up again

You cry if you want to, that's what we all doCome on now, everyone falls down

Everyone crawls now and then, then they get up again

You cry if you want to, that's what we all do

But if you think you'll never move on, you're wrong baby, wrong

You're wrong baby, wrong

Wrong baby, wrong baby, wrong
